

# We See Claims Differently

**Foresight sees a future where workplace accidents are a thing of the past.**

With purpose-driven support for you and your employees, we help reduce costly claims and get more workers home safe to their families at the end of the day.

## Preventing Claims with Proactive Safety

The best claim is the claim that never happened. Foresight helps protect workers from accidents on the job before they even happen—reducing the frequency of claims at work by an **industry-leading 18%**.

## Broadspire: The Boutique TPA Experience

- 25% lower caseload than industry average allowing adjusters to spend more time with injured workers and implement strategies that help resolve claims quickly.
- Bilingual case managers, adjusters, physicians and telemedicine where appropriate to support injured workers
- Strong data capabilities with predictive models
- Our goal is to provide best-in-class service and client outcomes. Broadspire Program Health dashboard provides quick insight into program performance using intelligent benchmarking in order to define and achieve program goals.

## Focus on Return to Work

Our internal claims team blends clinical expertise with claims and legal experience to oversee the TPA, ensuring our customers get best in class service.
