

Where we win

Our appetite at-a-glance

Curious about the sweet spots in our appetite? Foresight helps you bind competitive workers' comp policies for your hard-to-place businesses — construction, manufacturing, agribusiness, and more. With over 660 class codes in our appetite, and 160+ years of underwriting experience, we are here to help you see the future of workers' compensation with Foresight.

Here's where we excel at writing business:

- Carpentry, framing
- Roofing
- Lawn maintenance and tree trimming
- Farm harvesting contractors and drivers
- Cloth, canvas, and related products manufacturing
- Drywall, plastering, or wallboard and drivers
- Concrete construction
- Plumbing
- Farm — orchard or grove and drivers
- Masonry
