

Get started with Foresight PayGo

Did you know that Foresight offers flexible billing options that provide policyholders with the most accurate bill each month? Our pay-as-you-go solution is flexible, simple to set up, and works with most payroll vendors.

How does it work?

1. Online admin portal

Policyholders have access to a convenient online portal that can seamlessly work with their payroll vendor to provide an accurate overview of your bill each month.

2. Monthly invoicing

Invoices are paid online each month based on actual employee work, easing cash flow concerns.

3. Convenient payment options

All invoices are easily paid online by ACH or credit card.

Additional policyholder benefits

- Simplify final audits
- Reduce renewal expenses
- Easily integrate with most payroll vendors
