

# Foresight harnesses technology to protect your business

Foresight's proprietary safety app and coaching service, **Safesite**, is proven to reduce claims:

**18% Fewer Claims:** Use of our app reduces claims frequency by 18% on average.

**\$0:** Safesite is provided at no additional cost with every workers' comp policy.

**8 Hours:** Cut an average of 8 hours of admin work a week with digitized OSHA compliance.

**Easy:** No special equipment required. The app and training are available in English and Spanish.

**For You:** A safety coach tailors a safety plan to your business.

**"Foresight's safety app has made my job so much easier."**

- Rachel A.  
Safety Director at a General Contractor

**If and when a claim is filed, Foresight is prepared:**

Underwriting on MS Transverse paper rated A VIII (Excellent)

Bilingual claims adjusters and telemedicine

30% fewer cases per adjuster than industry average
