

# Foresight Workers' Comp

*More Classes. More Wins.*

Foresight combines built-in safety tools, co-selling support, and flexible underwriting — and now we're excited to announce a broader appetite that helps you place even more accounts, from tough mid-market risks to straightforward, lower-hazard businesses.

*Available nationwide on A+ (Superior) AM Best Rated paper.*

- ▶ Now quoting accounts with premiums from **\$5,000–\$250,000**
- ▶ Ex-mod up to **1.5**
- ▶ **Free safety services** included with every policy — recommended, but not required for these new classes

## Here's What's Now in Our Appetite

- Retail (including grocery)
- White-collar businesses: engineers, real estate, legal, accounting, insurance
- Building operations (condos & offices)
- Doctors, dentists & veterinarians
- Hospitality: restaurants & hotels
- Higher education & professional training
- Beauty services: barber shops, hair salons, nail salons

## Why Brokers Win with Foresight:

- Co-selling support & pitch materials
- Fast, collaborative quoting & renewals
- Real people, real conversations — not a black box carrier

Reach out to your Foresight team today or **submit a risk**—and let's write more business together!
