Indicate the type of roofing work completed by %:

Type of Roofing Operation	Residential	Commercial	Industrial	% of Total
What % of work is New Construction?				
What % of work is Repair/Patching?				
What % of work is Replacement?				
What % of work is on Pitched Roofs?				
What % of work is on Flat Roofs?				

Indicate type of work performed by % by completing the following table:

Type of Roofing	Residential	Commercial	Industrial	% of Total
Shingles/Shakes				
Asphalt				
Fiberglass				
Wood				
Concrete				
Polyurethane Foam (Sheet Form)				
Polyurethane Foam (Sprayed)				
Hot Tar and/or Asphalt/Built				
Rubber / Elastomerics				
Other (describe)				

Is waterproofing work performed?	Unknown	Yes	No
Is siding work performed?	Unknown	Yes	No
Is asbestos removal performed?	Unknown	Yes	No

Is carpentry work performed?	Unknown	Yes	No
Is insulation work performed?	Unknown	Yes	No
Other work performed:			
If hot tar, torch or other "hot process" is used, explain in detail the process and what safety precautions are used:			
Do you subcontract any work?	Unknown	Yes	No
If yes, what percentage do you subcontract?			
Are Certificates of Insurance (of equal limits) received on all subcontracted work?	Unknown	Yes	No
How often are certificates of insurance reviewed?			
Do you utilize day laborers?	Unknown	Yes	No
If yes, how many day laborers are used within a year?			
Do you offer warranties?	Unknown	Yes	No
<i>If yes, ATTACH copies of warranty</i>			
What is the average height of buildings you work on? (in # of stories)			
What is the tallest building you will work on? (in # of stories)			
Where do you dispose of trash/waste/scrap?			
Is this disposal process environmentally safe?	Unknown	Yes	No
Have you ever used, sold, installed or worked with asbestos?	Unknown	Yes	No
If yes, please explain:			
Any LPG storage?	Unknown	Yes	No
If yes, how much?			
How is it stored?			

List the type of owned equipment used on the job:

List all equipment rented annually and frequency of rental by piece:

How are materials transported to the roof?

Is there a lock-out/tag-out program in place?	Unknown	Yes	No
Do you have a written safety program?	Unknown	Yes	No

Thank You
